Daksh Singh

Full Stack Developer | Product Manager

dakshsingh.shanu@gmail.com | *Portfolio* | *Github* | *LinkedIn*

EXPERIENCE

Full Stack Developer, *Self Employed/Contract*   **Remote | January 2025 – Present**

– Built and deployed scalable web apps using React, Next.js, and Tailwind, resulting in fast-loading, responsive user interfaces across platforms.

– Applied product thinking to development, driving trade-off decisions that balanced performance, usability, and speed.

Product Manager, *Wysa*   **Remote | March 2023 – December 2024**

– Led the full product lifecycle for mental health platform features used by over 1 million users, delivering 5+ high-impact projects that enhanced user engagement.

– Reduced stakeholder complaints by 90% by optimizing 4+ internal workflows and aligning teams with agile delivery processes.

– Spearheaded the implementation of an LMS system to enhance internal knowledge sharing and collaboration across departments.

– Secured 1 major contract renewal through strategic roadmap alignment and timely delivery of key product enhancements.

AI Training/Content Project Manager Intern, *Wysa*   **Remote | July 2021- March 2023**

– Enhanced AI model accuracy by over 20% by tagging 25+ ML models and fine-tuning NLP systems, resulting in improved performance, ethical compliance, and alignment with business goals.

– Delivered over 100 UX-related bug fixes by collaborating with product teams to align AI with user experience needs, resulting in over 50,000 improved conversations.

– Managed over 10 content projects from scoping to production release, ensuring quality, efficiency, and cross-team coordination.

– Created and delivered training programs for content teams, improving team capabilities and collaboration in conversational design.
